## Chapter 387: Tartaros Arc, Part Four: Father and Son

Good.  
I've been  
separated  
from Gajeel.

You are  
unharmed,  
Happy?

UWAAH!!

Well... I don't  
know... It depends  
on the person, but  
not everyone would  
find that ugly...

URG.

Carla is going  
to hate me  
now...! What'll  
I do...?

I-Is that  
right...?

It was like... I  
got sucked into  
a wall, and just  
when I thought  
I was free, this  
happened to  
me...

***That  
wasn't  
the only  
Face!!!!***

So far, I've  
been able  
to detect  
about two  
thousand  
Faces.

How can  
this be  
happen-  
ing...?!

***Now they  
know what a  
continent-wide  
pulse bomb  
really looks  
like!!***

## Chapter 388: Erza vs. Minerva

What  
are you  
fighting  
against  
?!!!

I am  
the most  
power-  
ful...

I am...

**BOOOM**

**GAH!**

Will you  
come  
to your  
senses  
?!!!

You did  
it all for  
Saber  
Tooth,  
didn't  
you?!!

You were cruel  
during the  
Grand Magic  
Games...

I can't  
say it was  
justified,  
but I may  
be able to  
understand  
it.

You are  
you.

I cannot...  
live within  
this body  
any longer.

I beg of  
you...

There are  
those who  
are waiting  
for you to  
return.

**Never  
forget  
that!**

This is  
what's wrong  
with you  
humans.

RUMMMM  
WAAAA  
MBLE

You take such  
pride in your self-  
important prattle  
about life and  
death.

How  
pitiful.

It's the  
Underworld  
King, Mard  
Geer!!

Wait...  
I've heard  
that voice  
before...

Who are  
you?!

Why did  
you have to  
interfere,  
Celestial  
King?

For pity's sake...  
Just when I thought  
all the garbage had  
been taken care of,  
here it is cluttering  
things up again.

So I can  
clean up  
some of  
the trash  
myself.

Fortunately...  
I have a bit  
of spare  
time on my  
hands.

*You*  
are the  
master  
of this  
guild?

"There are  
those who are  
waiting for you  
to return."

Oh?

Your  
guild is  
Saber  
Tooth!

Fro thinks  
so also!

We're here  
to bring  
you home,  
Princess.

Long  
time, no  
see!!

## Chapter 389: The Twin Dragons vs. the Underworld King

A guild is  
as good a  
place for  
you as any.  
I will not  
stop you.

This world  
of magic  
is about  
to end.

Go back  
to your  
guild?

One of  
them,  
yes.

Face  
has been  
destroyed.

What  
was  
that?

If those were  
"Faces," then they  
are all over the  
land in incredible  
numbers.

Erza-san, on  
the way here,  
we saw a lot of  
creepy statues  
with faces on  
them.

In one  
hour, all  
of those  
Faces will  
go off.

*One  
hour.*

That's  
nearly three  
thousand  
magic pulse  
bombs...

Enough to  
wipe out all  
the magic  
on the entire  
continent.

\*White Dragon's...

\*\*... Roar

\*Shadow Dragon's Slicing Attack

**You  
hurt our  
friend!**

**BOOM**

*It is so  
terribly  
foolish, I  
can't help  
but love  
it.*

DOKAAM

**This body  
is simply a  
vessel.**

**A dead  
body that I  
found lying  
around.**

**GRA**

**That includes  
me, of course.  
My real body  
isn't human.**

**All the  
members of  
Tartaros are  
demons from  
the Book of  
Zeref.**

That's why I  
take human  
form most  
of the time.

But, well,  
staying in  
the form of a  
demon made  
things a little  
complicated.

I've been  
using  
it ever  
since.

Back when I  
decided to get  
one, I picked a  
good-looking  
dead body.

...might be  
the thing  
that drew us  
together.

But you  
know... that  
body I just  
happened  
to make my  
own...

...

**My  
name is  
Deliora!!**

**You  
remember  
me, don't  
you, Gray  
?!!**

**ABSOLUTE

This is  
the end,

I will not  
let you

near my

the time  
to master  
ice demon  
slayer  
magic!

Ur's minions  
can't use  
anything but  
ice magic,  
right?

The Underworld  
King realized the  
power of that  
magic, and honored  
him with a position  
among the Nine  
Demon Gates.

Look at  
the pain in  
your eyes!!  
Your twisted  
face!!!

This is  
great!!!

Perfect!!

And  
after that,  
everyone  
you ever

I'm

rid of  
you,

and for

...but it's  
still ice!  
It ain't  
gonna  
hurt me!!

Sure, I  
can't eat  
my own

I can  
see the old  
fear coming  
back to you  
now...

You're

you give up  
your own life to  
put your enemy  
in a prison of  
ice?

This is  
the magic  
that kept you  
frozen for ten  
years!

Besides,  
ice magic  
doesn't work  
on me.

I don't  
know about  
that! Think  
back!

But...  
I ain't...

**I'm

**I've been  
dead...  
seventeen  
years  
now...**

**BOOM**

That is  
just...

A dead  
man?

Gray-  
sama's  
father?!

The fiction  
has ended.  
Now the  
true story  
commences.

Just what...

...are you...?

My powers of foresight say human desires will now govern what is to be.

He picked up my body, and used it in an experiment...

A necromancer.

One with curse power to control the dead.

...I'm... still alive, after all these years. Maybe I should say, "still moving."

I was just one of hundreds he tried it on, but...

He wanted to see how close he could get to turning a corpse back into a living person...

An experiment ...?!

**Everything  
I've done...  
was to take  
revenge on the  
demons...**

**...who  
stole my  
family  
from me!**

Sorry about  
the Village of  
the Sun, by the  
way... I guess  
that fire wasn't  
a demon.

I joined the  
demon guild, and  
rid the world of as  
many demons as I  
could without them  
catching on.

Who asked you to do that?!

You'll do fine...

# SHIIING

You  
want to  
be put to  
rest...?

Even if  
you share  
my blood...  
Even if you  
*are* my  
father...

Yeah...

Don't even  
hesitate!!!! I  
helped them with the  
Face Operation!!!!  
I've murdered  
former Council  
members!!!! I am  
your enemy!!!!

That  
don't  
change the  
fact that  
you're an  
enemy  
of Fairy  
Tail!!!!

I gotta  
protect my  
guild...  
my family  
!!!!

I...

That's what  
it means to  
be human!

That's  
part of  
being  
human  
too.

I know, but  
I just can't!!  
I can't kill  
you!!!!

You  
make us  
proud!

IF YOU CAN DEFEAT HIM,  
THAT WILL STOP THEM FROM  
TRIGGERING THE BOMBS! THE  
CHAIRMAN CAN'T MOVE ON  
HIS OWN!

THREE  
THOUSAND

BOMBS?!!

HE'S A NECRO-

HE'S TRYING TO USE  
THE DEAD CHAIRMAN  
TO SET OFF ALL THREE

AT ONCE!

WHAT? YOU  
ALREADY  
KNEW?

THEN YOU'LL  
BE...

## Chapter 394: Juvia vs. Keyes

Who knew  
a human  
could be this  
strong...?

What's  
with this  
guy?!

And  
Juvia...

I never  
thought  
Natsu and  
Gajeel would  
have such a  
hard time...

FATHER,  
SIR...!

CAN YOU  
HEAR JUVIA,  
SIR?!

Uwaah  
!!

WHAM

I am well aware that Silver was apt to undermine our efforts.

However, that was no matter.

I was quite cognizant that his rage and thirst for revenge could be the key to prolonging his existence.

He had acquired power and learned the ways of the ice demon slayer...

And his purpose was revenge upon us.

Cruelty like that makes Juvia sick!!

Does it not fascinate?

Such a delightful marionette!

That is  
my story!  
The tale of the  
quest to create  
the perfect  
corpse!

Father and  
son... The living  
and the dead...  
murdering one  
another!

Subjects  
for my ex-  
periments.

What  
marvelous  
tools you  
make!

Just what  
do you think  
humans  
are?!

...never  
be your  
puppets  
!!!!

Humans  
will...

Ah, but  
puppets you  
shall be.

You  
will  
not!

Now I  
shall slay  
you...

...and  
direct your  
corpse to  
murder your  
friends.

Juvia  
will never  
permit  
that!!!!

And in the instant that his master departs this world... Silver will join him!

Lucy!!

What...  
is this?!

Eyaaaah!

Dammit  
!!

Tsk!

This is the  
capital of  
the dead!

A treasure  
chest of  
weapons for  
Keyes!

...

Your one hope  
is to sacrifice  
the bond  
between father  
and son!

Khh!!

What troubles you?  
Are you unable to send  
the ghost of that  
young man's father to  
the great beyond?

Juvia  
cannot...

I understand  
how your minds  
work!

And thus,  
the folly of  
humanity is  
proven yet  
again.

You allow your  
emotions to  
obstruct your  
reason!

Juvia!!!

SHOCK

**We believe in  
the power of  
love!!!!**

**...their love  
will stay in  
each other's  
hearts!!!!**

**No  
matter  
what  
becomes  
of them  
...**

**BWAASH**

Gray-sama,  
forgive  
Juvia!!

THANK YOU.

IT'S FOR  
THE BEST.

!

AND YOU'VE  
STOPPED THE  
FACE BOMBS.

YOUNG LADY,  
YOU'VE ALLOWED  
ME TO PASS ON,  
AFTER ALL THESE  
YEARS.

FATHER,  
SIR?!!

JUST LOOK  
AFTER GRAY  
FOR ME.

DON'T SAY  
ANYTHING.

JUVIA  
WANTS...

I'M LEAVING  
EVERYTHING  
TO YOU.

DO YOU  
KNOW THE  
REAL REASON  
I LEARNED  
ICE DEMON  
SLAYER  
MAGIC?

AND  
THAT  
POWER  
CAN...

...PASS  
FROM  
FATHER  
TO SON.

IT WAS  
BECAUSE  
END IS A  
FIRE DEMON.

As an  
ice demon  
slayer...

...I'm  
going to  
take down  
**END!!!**

## Afterword

I had thought up the story arc of Gray and Silver well before putting them in the Tartaros Arc, including pretty much how it ends, the ramifications, what becomes of Gray, and what becomes of Silver. They were all decided beforehand. And yet!!!! It was only right on the cusp before I started drawing their final battle that I realized **that something vital in the setup was wrong**, so to make sure that everything worked out logically, I had to change large portions of it in mid-stride. It was really rough! By the way, problems with the setup are a bad habit of mine.

In the past, too, I've had things wrong in the setup that caused a lot trouble and effort to patch. (Let this be a lesson that manga cannot be a slipshod affair.)

It really embarrasses me, so I won't go saying what it was in the setup that I got wrong or left out, but I think the final results didn't turn out too badly.

Now Gray is a demon slayer, but really, right from the very start, I figured that Gray would eventually become an ice dragon slayer, although that idea had to be rejected. I think it was rejected about the point when Gajeel showed up. But I recalled it about the time of his battle with Ultear because he had to stay an ice make wizard until at least that time. Then, just before the Grand Magic Games, I decided on making him a demon slayer. Now that Gray has obtained some really great power, keep your eyes on him!

*Won't we ever see Aquarius again?*

: Sniff...

: Oh, dear...

**Lucy:** That's a question... I can't... have fun with...

**Mira:** We got a lot of this question.

**Lucy:** I... don't know what to say...

**Mira:** You don't need to say anything.

I'm sure you'll meet again sometime. Let's trust in that.

**Lucy:** Yes... Yes, I guess so.

**Mira:** Now, let's get the fun back into this! Let's take the next question, and have fun! Fun!!

*Mira-chan doesn't get to do very much during this story arc, does she?*

: Sniff...

: Oh, dear...

**Mira:** Yes, I know that I was quickly captured right at the beginning, and that it was Elfman who came in at the end to finish the fight with Sellan...

Continued on the next page.

Continued from the left page.

**Lucy:** No... I'm positive you'll play a really big role after this! I'm sure of it!

**Mira:** I think... I won't even show up again...

: No, no... See, I read a little bit ahead, so I know this for sure...

**Mira:** Really? Hold on. I'm checking Vol. 47...

: WAAAAH...

**Lucy:** Mira-san!! Pull yourself together!!

**Mira:** Yeah... I'm all right...

**Lucy:** The story arc's not over yet! I'm sure you'll do something great! You know?

**Mira:** Yeah... Okay. We'll have fun with the next question.

*Will Wendy's hair ever go back to its original length?*

: Sniff...

: Sniff, sniff...

**Lucy:** Wendy... really looked good in her long hair.

**Mira:** It'll grow back! Hey, there's even magic that will allow hair to grow back, right?

**Lucy:** Yeah, right! I could get Cancer on it!

: Good! This is how we can have fun!

**Lucy:** He's a celestial spirit friend...

**Mira:** ?

**Lucy:** A celestial... Sniff...

**Mira:** Lucy?

: Waaah! I want Aquarius back!! Waaah!

**Mira:** Oh, dear...

**Lucy:** I'm... sorry... I couldn't help it... Sniff...

**Mira:** This is our very last question, and we're going to have fun with it!

**Lucy:** Yes, ma'am!

*Would you mind telling me Ichiya's measurements?*

**Mira:** ...

**Lucy:** ...

**Mira:** Okay, I think that's enough for this time.

**Lucy:** But *next* time, we're going to have so much fun!

**Mira:** See you!

**Lucy:** Bye-bye!

## Translation Notes:

Japanese is a tricky language for most Westerners, and translation is often more art than science. For your edification and reading pleasure, here are notes on some of the places where we could have gone in a different direction with our translation of the work, or where a Japanese cultural reference is used.

### Page 132,

#### Vambrace

A vambrace is the piece of a suit of armor that covers and protects the wearer's forearm. In the manga's original *kanji*, it is written, "Demon King's Forearm Armor," however the entire attack name had a pronunciation guide which only had the English word "Vambrace"

### Page 157,

#### Welcome home, Gray-sama.

Over the past decade or so, maids have been a popular fetish in Japan. The concept of a pretty, young, obedient, servile girl in a revealing French maid's outfit is hardly new. But with the dawn of "maid cafés," where girls dressed up in maid costumes call the customer "Master" and make every effort to please, the concept went mainstream. The standard greeting when one enters a maid café can be translated to, "Welcome home, Master." That is the greeting that Juvia, in her maid costume, is alluding to on the title page of this chapter. (By the way, although some women visit maid cafés, the majority of their clientele is men. Butler cafés, which came later, cater more to a female clientele, and may be staffed by men or by women in drag.)
